

Player & Coach Registrations for 2020 Seabrook Cal Ripken Baseball are now Open!

Players and coaches can register online via the SRC website www.seabrookrec.com

Seabrook Cal Ripken provides the youth of Seabrook the opportunity to participate in organized baseball with the Intertown Baseball League.

The Inter-Town Baseball league is comprised of teams from 9 towns. Boys and girls from Byfield/Newbury, Georgetown, Groveland, Merrimac, Newburyport, Rowley, Salisbury, West Newbury and Seabrook, NH between the ages of 9 and 12 play in two divisions. The minors division plays on a 46/60 little league regulation diamond and the majors division plays on a 50/70 diamond. The goal of the majors division is to better prepare the young players for their transition into Babe Ruth where they will play on a 60/90 major league regulation diamond. Each division also hosts an All Star game midway through the Spring season.

The Inter-Town baseball league offers youth players a competitive environment, but most importantly a place for them to have fun and learn the art of baseball.

This program is not a school sponsored program. Any questions please contact Seabrook Cal Ripken via email seabrookbaseball@gmail.com
