**Winter Session 2020: Session 2    February 10th-March 27th**  
**2:30 PM - 6:00 PM**

# 5TH - 8TH GRADE PROGRAMMING

A 21st Century Community Learning Center program in Partnership with Seacoast Youth Services & the Seabrook Middle School offering programs focusing on Adventure, Leadership, and Academic Achievement!

## MONDAY

**CHOOSE 2!**

### SCHOOL OF ROCK

**STAFF: Mari**

Have you ever wanted to learn an instrument? In this musical program we will be using real musical instruments to form our very own SAZ band!

### WORLD OF WATERCOLOR

**STAFF: Alanah**

Learn new painting techniques to create colorful works of art like the rainbow tree, galaxies, straw paintings and more!

### GOAL GETTERS

**STAFF: Megan**

**GOOOOOOAL!**

In this sporty program we will be practicing our soccer and floor hockey skills with various drills, scrimmages, tips and tricks!

### BREAK DOWN BUILD UP

**STAFF: Casey**

Have you ever wanted to take apart a car and put it back together? Do you love creating towers and buildings so you can knock them down? If so then this is the program for you!

### HAIR 101

**STAFF: Owen**

Braids, buns and curls!  
In this program we will be using real cosmetology mannequins to learn hair styling techniques!

## TUESDAY

**CHOOSE 2!**

### MELTED CRAYON ART

**STAFF: Alanah**

Melted crayon wall art, scratch art and crayon candles are only a couple of the fun projects we will be creating in this colorful group!

### KRAZY CRAFTS AND GAMES

**STAFF: Jake**

Use your imagination and engineering skills to create paper airplanes, sling shots, paper footballs and more!

### MAKERSPACE AND SAZ TV

**STAFF: Mrs.Harter**

Doodle Bots, Scratch Coding, 3D Pens, robot building, green screens and more!

Let's create!

### VEGAN BAKING

**STAFF: Leah**

Learn how to create tasty vegan versions of your favorite desserts!  
Oreo balls, cupcakes, banana bread muffins and more!

### PROJECT ADVENTURE:

### ACHIEVING FITNESS

**STAFF: Forrest**

Are you ready for a challenge?  
Project Adventure like you've never seen it before! Learn brand new games that will keep you active and thinking!

## WEDNESDAY

**CHOOSE 2!**

### COMMUNITY ART

**STAFF: Alanah**

Let's get ready to paint the town in this collaborative, community art program! Murals, quilt squares, puzzles and more!

### STRING THEORY

**STAFF: Mari**

Knitting, Gods Eyes, dream catchers and friendship bracelets are only some of the fun string based activities that we will be discovering!

### SPORTS ACADEMY

**STAFF: Bradey**

Team up with your friends to master the games of Sports Academy!  
In this active program we will be learning some of our favorite games... with a fun twist!

### HYDROGARDEN

**STAFF: Owen**

Learn the ins and outs of indoor gardening!  
We will be growing various herbs, fruits and vegetables as well as creating some healthy snacks!

### COUNTRY LIFE

**STAFF: Casey**

Huntin' Fishin' and lovin' everyday!  
Join us in this fun outdoors program in which we will be making our own fishing lures, building shelters and discovering what makes the outdoors so great!

A 21st Century Community Learning Center program in Partnership with Seacoast Youth Services & the Seabrook Middle School offering programs focusing on Adventure, Leadership, and Academic Achievement!

## THURSDAY

**CHOOSE 2!**

### COMPETITIVE ATHLETICS

**STAFF: Jake**

Do you have a competitive streak?  
Do you love to push yourself to do better?  
If so, then competitive sports is the fast paced, active program for you!

### STRESS BUSTERS

**STAFF: Brittney**

Do things have you stressed?  
Do you want to learn new ways to relax?  
In this chill program we will be painting, making stress balls, sipping on tea and much more!

### GAME ON

**STAFF: Matt**

Bring your game faces!  
In this exciting program we will be holding Nintendo tournaments, Uno battles, Kahoot challenges and more!

### BASICALLY ANIME

**STAFF: Morgan Konichiwa!**

Drawing our own anime, Naruto headbands, Cosplay and pixel art are only a few of the fun activities that we'll be doing in Basically Anime!

### SCIENCE EXPLORERS

**STAFF: Mrs. Beach**

Grab you lab coats and get ready for some fun and explosive science experiments!  
Science isn't about why... it's about why not!

### DESIGN AND DOODLE

**STAFF: Mrs. Harter**

Do you love coloring books? Have you ever wanted to create your own? In this program you can! We will be drawing, designing, creating our very own coloring books! Gel pens, markers, watercolor and other fun materials will be provided!
